

ADAS TECHNICIAN

ProLevel® 1

| Course Title | Online | Virtual | Classroom | Spanish | Location Level | Prerequisite Required |
|--|--------|---------|-----------|---------|----------------|-----------------------|
| Convenience Systems Operation and Service | ✓ | | | | ✓ | |
| ADAS Operation and Service | ✓ | | | | ✓ | |
| Incorporating ADAS in Your Business | ✓ | | | ✓ | | |
| Requirements and Considerations for Achieving an Accurate ADAS Calibration | ✓ | | | ✓ | ✓ | |
| Electrical Theory | ✓ | | | ✓ | ✓ | |
| Circuit Measurements with a Digital Volt Ohm Meter (DVOM) | ✓ | | | ✓ | ✓ | ✓ |
| Introduction to Diagnostics and Scan Tools | ✓ | | | ✓ | ✓ | ✓ |
| Electrical Troubleshooting Fundamentals | ✓ | | | | | |
| Troubleshooting Electrical Circuits and Parts | ✓ | | | | | |
| Understanding OEM Procedures and How To Locate Them | ✓ | | | ✓ | | |
| Damage Analysis of Driving Assist Systems | ✓ | | | ✓ | | |

ProLevel® 2

| Course Title | Online | Virtual | Classroom | Spanish | Location Level | Prerequisite Required |
|--|--------|---------|-----------|---------|----------------|-----------------------|
| Calibration Requirements for Blind spot and Parking Assist Systems | ✓ | | | ✓ | | |
| Windshields and Advanced Driver Assist Systems (ADAS) | ✓ | | | ✓ | | |
| Wiring and Connector Service and Repairs | ✓ | | | ✓ | | |
| Electrical Damage Inspection | ✓ | | | ✓ | ✓ | |
| Electronic System Diagnostics and Repair | | ✓ | | | | ✓ |
| Damage Discovery for ADAS Sensor Mounting Locations | ✓ | | | ✓ | | |
| Understanding Vehicle Communication Networks | ✓ | | | ✓ | ✓ | ✓ |

ProLevel® 3

| Course Title | Online | Virtual | Classroom | Spanish | Location Level | Prerequisite Required |
|---|--------|---------|-----------|---------|----------------|-----------------------|
| Camera Calibration, Inspection, and Initialization Requirements | ✓ | | | ✓ | | |
| Calibration of Front Facing Cameras and Front Radar | ✓ | | | ✓ | | |
| Post Repair Advanced Driver Assistance Systems (ADAS) Testing | ✓ | | | ✓ | | |
| Initialization and Calibration of Electronic Systems | | ✓ | | | ✓ | ✓ |
| Control Module Programming Overview | | ✓ | | | | ✓ |
| Applying Your Diagnostic Skills 1 | ✓ | | | ✓ | | ✓ |
| Applying Your Diagnostic Skills 2 | ✓ | | | ✓ | | ✓ |
| ADAS Diagnostics - When the Calibration Fails | ✓ | | | ✓ | | |

| Course Title | Hands-On Skills Development™ | Welding Training Certification | Prerequisite Required |
|--------------|------------------------------|--------------------------------|-----------------------|
|--------------|------------------------------|--------------------------------|-----------------------|

Static ADAS Calibration Multi-Day Hands-On Skills Development

*Training requirements are subject to change.
